Baby Making for Everyone

This book—Fertility and Family Building for LGBTQ+ and Solo Parents, is a how-to guide and a celebration of the many ways that people create families outside of the traditional heterosexual-nuclear-family model. Combining a step-by-step guide with personal narratives, this book offers prospective parents a blueprint for how to grow their families and to feel supported in the process.

Funding for Fertility Preservation

Unfortunately, fertility preservation is often expensive and not covered by insurance. Check with your insurance to see if fertility saving methods are covered or partially covered.

Family Equality has put together a list of funding and grants.
